

CRITICAL COLLECTION PROBLEMS COMMITTEE  
OF THE  
UNITED STATES INTELLIGENCE BOARD

CCPC-D-50770  
30 December 1970

MEMORANDUM FOR: Members, CCPC

SUBJECT : Intelligence Annex to NSSM-106

1. The Chairman, National Intelligence Resources Board, has assigned to the CCPC the responsibility for developing an intelligence Annex to NSSM-106, by memorandum dated 23 December 1970, subject as above (copy attached).

2. The basic input for this Annex has already been made available through the data furnished for the WestPac Study. Using this data, a draft of a proposed annex is being drafted under the guidance of the Chairman, CCPC. It is intended that the report be rather short and to the point. As soon as the first draft is completed it will be circulated for normal Committee comment and staffing.
